The living/dining room has soaring ceilings with knotty pine wood walls which add character to the home. A delightful country kitchen is located just off the living/dining room and has an old fashion cooking stove and a double kitchen sink window letting in plenty of sunlight.

On the main level you will find a huge bedroom with a lovely wood burning stove, 2 full baths and utility room. The upper level boasts two additional bedrooms.

You will love the private yard, large deck and wooded setting. Sit on the deck and listen to the birds and the sounds of nature. Have cookout and enjoy the company of friends or relax in the hot tub after a long day.
