A spacious flowing floor plan offers more than meets the eye. Very nicely decorated and well kept. Start building great memories as you gather around the gas log fireplace with family and friends. This room is ideal for entertaining.

You will love cooking in the fully applianced kitchen with lovely wood floors and snack bar. Have guests over and serve dinner in the dining area with French doors that lead out to the huge screened porch.

No worries about space ... there is more than enough room for everyone with 3 bedrooms and 2 full baths. The sprawling master bedroom offers and ample closet space.

Kick back and enjoy life at a slower pace!

Room for future expansion in the bonus room above the garage.

You'll enjoy your days in the huge 2 story screened porch. The perfect spot to relax and have your morning coffee while reading the newspaper. Play a game with the kids or visit with friends ... the ideal place to entertain.

The screened porch overlooks a nicely landscaped yard with adorable ornamental pond.
